# CAPABILITY STATEMENT

## ABOUT TRADE31

Trade31 is a team of skilled craftspeople and specialty contractors who thrive where high expectations meet complex spaces. We specialize in finish carpentry, facade improvements, glass and glazing, window replication and restoration, specialty contracting, and general trades. Trade31's craftsmanship is rooted in the power of Huseman Group, representing a construction legacy dating back over a century. Our capabilities are backed by a century-old legacy and a **commitment to quality craftsmanship, custom solutions, and doing it right.**

## CORE COMPETENCIES

At Trade31, skilled labor is at our core. Our company was founded to celebrate Huseman Group's longstanding tradition of employing our own craftspeople and specialty contractors, and that tradition is what continues to fuel our industry-leading work today. From concrete and framing to door and hardware installations, we hold every task to our exceptionally high standards for the quality you deserve. We specialize in:
